### Movie in the Park

Movies in the Park are back for the summer! This month's movie is *Daddy's Home*! Grab your kids and head to this FREE family event on July 23! Stop by the MCPLS booth for free popcorn! The movie will play in Palatine Park once the sun goes down. **Please note: this movie is rated PG 13. Parental discretion is advised.**

### Movie on the Green

The Marion County Family Resource Network (FRN) is teaming up with area businesses to bring a free movie to green space beside the library! This month's movie is *Disney's Zootopia*!

Grab your kids and head to this FREE movie on July 15! The FRN will be selling refreshments to raise money for youth camps.

## Artrageous!

It's outrageous how much fun kids will have at the hands on art exhibit that will be visiting MCPLS in July and August!

Artrageous is a fun and engaging way to provide kids a hands-on approach to the arts. This travelling exhibit uses works of art from the masters to help children discover the elements of design in the visual arts.

Famous paintings like Grant Wood's "American Gothic," Georges Seurat's "A Sunday Afternoon on La Grande Jatte," and more will teach kids about shapes, lines, color, and space in a fun, interactive way.

**This exhibit is free and open to the public!**

## Speaking of Books Club

Speaking of Books will meet July 26 at 4 pm to discuss *A Land More Kind Than Home* by Wiley Cash.

For a curious boy like Jess Hall, growing up in Marshall means trouble when you get caught spying on grown-ups.

Adventurous and precocious, Jess is protective of his older brother, Christopher, a mute whom everyone calls Stump. Though their mother has warned them not to snoop, Stump can’t help sneaking a look at something he’s not supposed to—an act that will have repercussions. It’s a wrenching event that thrusts Jess into an adulthood for which he’s not prepared. He now knows that a new understanding can bring not only danger and evil—but also the possibility of freedom and deliverance.

*A Land More Kind Than Home* is a haunting tale of courage in the face of cruelty and the power of love to overcome the darkness that lives in us all. (From the publisher.)

## Friends Book Sale

The Friends are sponsoring their summer book sale from July 11-30. Be sure you don’t miss out on a lot of great deals on books, audiobooks, CDs, and DVDs!

## Cover2Cover

July 21 @ 1:30. This month's title:  
***Leaving Time* by Jodi Picoult.**

For more than a decade, Jenna Metcalf has never stopped thinking about her mother, Alice, who mysteriously disappeared in the wake of a tragic accident. Refusing to believe she was abandoned, Jenna

searches for her mother regularly online and pores over the pages of Alice's old journals.

Desperate to find the truth, Jenna enlists two unlikely allies in her quest: Serenity Jones, a psychic who rose to fame finding missing persons, only to later doubt her gifts, and Virgil Stanhope, the jaded private detective who'd originally investigated Alice's case along with the strange, possibly linked death of one of her colleagues. As the three work together to uncover what happened to Alice, they realize that in asking hard questions, they'll have to face even harder answers.

## Fiction Addiction Book Club: Grades 5-8

July 19 @ 4:00. This month:  
***How to Love* by Katie Cotugno.**

For fans of Sarah Dessen and John Green, this is a breathtaking debut about a couple who fall in love...twice.

Before: Reena Montero has loved Sawyer LeGrande for as long as she can remember. But he's never noticed that Reena even exists...until one day, impossibly, he does. Reena and Sawyer fall in messy, complicated love. Then Sawyer disappears without a word, leaving a devastated—and pregnant—Reena behind.

After: Almost three years have passed, and there's a new love in Reena's life: her daughter. Reena's gotten used to life without Sawyer, but just as suddenly as he disappeared, he turns up again. Reena wants nothing to do with him, though she'd be lying if she said his being back wasn't stirring something in her.

After everything that's happened, can Reena really let herself love Sawyer LeGrande again?
