FINE FREE SUMMER

Summer time and the library's fine (free).

Instead of hosting a Fine Free Week, we'll be celebrating our patrons all summer!

Starting June 1, fines will be waived on all newly returned overdue items.*

Thank you for your support of the Marion County Public Library System! We couldn't do what we do, without you.

*This does not apply to previously accrued fines, collections charges, or replacement fees

A UNIVERSE OF STORIES

Our 2019 summer reading program, "A Universe of Stories", is going to be **out of this world!** Join us this month for a wide variety of space themed program.

Summer reading sign-ups can be completed by calling or visiting your branch, or by going online to our summer reading website!

We'll be kicking off summer reading on Saturday, June 1st from 11 am—3 pm at the New Woody Williams Armory!

Our summer reading program includes events for Toddlers (Fairmont only), Pre-K,

Kindergarten through 5th grade, Teens (grades 6-12), and Adults (ages 18+).

For more information about all of our summer reading events, how to enter to win a prize, books about space, and to sign-up, visit:

A Universe of Stories

June kicks off another exciting year of summer reading; this round it's "A Universe of Stories" so activities for all ages will feature space themes.

To put you in the mood for planets, stars, and the interstellar world, be sure to join us on Saturday, June 1 from 11 am - 3 pm at the new Fairmont Armory on Artillery Drive on East Side. There will be bounce houses, face painting, carnival style games, food, and so much more for toddlers, children, teens, and adults. If you haven't already registered for Summer Reading, you can get signed up during this event.

Fairview is offering a variety of children's sessions throughout the month for two age groups: Pre-K (ages 3-6) and K-5 (ages 6-11).

We've got "Story Blast," "Wandering the Galaxy," and "They Came from Outer Space" workshops for Pre-K, and "Alien Invaders," "Launch an Adventure," "Soaring through the Solar System," and "Star Wars Galaxy" for K-5.

Don't forget our special events on Fridays – there's the "Galactic Giggles Puppet Show" for all ages, two new 3D printing classes for ages 10–up, and "Carnegie Presents Spacewalking" for K-5. In addition, Pre-K registrants will even be invited to take a trip to the WVU Planetarium!

Summer Reading participants of all ages can join us on Saturday, June 29 from 6 pm – 8 pm at Fairmont's Wave Pool for the "Universe of Stories" finale.

Gardening Q&A

Back by popular demand, local gardening expert, Dorothy Hood, is presenting a second installment of her "Gardening Q&A" on **June 11 at 5:30 pm**. If you missed her March session, she's more than happy to take your questions here.

Over the Moon for Reading

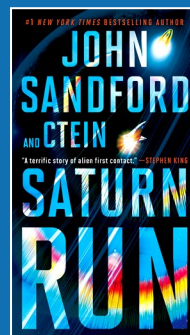

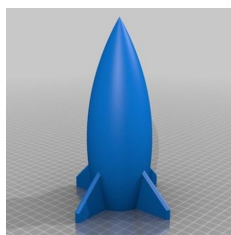

Kids aren't the only ones in on the fun this month. At Fairview, we have combined teens and adults sessions featuring "Constellation Light-Up Canvas," "Starman: A Tribute to David Bowie," "Galaxy Tees," and "DIY Space Food: Edible Moon Rocks and Galaxy Bark."

Speaking of Books

Our monthly book club, "Speaking of Books," returns on June 25 at 4 pm to review *Orphan Train* by Christina Baker Kline.

What Do You Know About That? Trivia Contest

Piggybacking on last month's trivia theme, "Who's Your Mama," June's entry of "What Do You Know about That?" on June 27 is the "Who's Your Daddy? Edition." The contestant with the most correct answers about TV dads wins a prize!

Find a Space to Read

If you're looking to expand your personal universe with tales from the cosmos, check out our "Find a 'Space' to Read" display.

We'll be featuring *The Martian* by Andy Weir, *Back to the Moon* by Homer Hickam, *Saturn Run* by John Sandford, *Waste of Space* by Gina Damico, and *The Astronaut Wives Club* by Lily Koppel to name a few.

Count A Falling Star

Our June Circulation Desk guessing game is "Count a Falling Star."

The participant who comes closest to guessing the number of Starbursts in the jar without going over wins!

3D Printing:

Join us for two "Out of this World" 3D Printing Classes with Mr. Ory! Registration is required. Ages 10+. Follow the links below, or visit summer.mcpls.org to sign up!

1-on-1 Tech Help

Adults can get hands on help during our **1-on-1 Technology Time!** Meeting at the library every Thursday at 2:00 pm: this is a designated time for adults to get help with their mobile devices.

Friends of the Library

Summer Time, Summer Time! Kick off your shoes and read awhile. We have great used books for the whole family at the Friends Book Sale, open every week Friday 10-4 and Saturday 9-1.

Pre-K Classes:

Story Blast

Monday, June 6: 11:00 am

It's space camp for preschoolers; sing-along-space songs, sharing space stories, crawling through the tunnels, tiptoeing through the asteroids, jumping on the moon, and then blasting off in the rocket ship.

Robots in Space

Thursday, June 13: 11:00 am

Did you know robots are used on the International Space Station? What do they look like? What kind of work do they do? Have fun watching robots perform tasks and make your own colorful robot. Use simple coding to tell your Ozobot robot how to navigate through the solar system!

Kindernauts

Thursday, June 27: 11:00 am

What do astronauts wear in space? What do they see when they look out their windows? What do they eat, how do they work? Sample food the astronauts may have on the space station. Make your own Galaxy jar. Try to complete tasks in a 'sterile' environment! Come join us as we become astronauts living and working in space!

K-5 Classes:

Alien Encounters

Monday, June 3: 5:30 pm

Join us for some out of this world fun with Aliens from another planet. Through various stories and activities, children will be taken on a journey to explore other worlds and visitors. The conclusion will be scientific alien experiments, including alien bugs, moon sand, alien like creatures, and other fun from distant galaxies

Launch an Adventure

Monday, June 10: 5:30 pm

In celebration of the 50 year anniversary of the moon landing we are sharing highlights from *To the Moon and Back* by Buzz Aldrin, and setting up a rocket building factory just for you. Design your rocket and then it's out to the launch pad for the ROCKET LAUNCH! How high can you make yours fly?

Soaring Through the Solar System

Monday, June 17: 5:30 pm

Activities to include crafting a 3D solar system mobile, playing Solar System Twister, and snacking on Jell-O jiggler stars.

Star Wars Galaxy

Monday, June 24: 5:30 pm

A long time ago in a galaxy far far away....STAR WARS! From the moment that scroll crosses the screen you know you are in for an epic adventure. Join us as we celebrate one of the greatest science fiction films of all time. We'll share epic stories and make our very own light saber from a pool noodle! May the force be with you as you join us for this extraordinary fun event.

Teens & Adults: Grades 6+

Moonphase Shirts

Thursday, June 13: 3:00 pm

Join us to create a one of a kind t-shirt featuring the phases of the moon! Bring a black shirt, all other materials will be provided. Please sign up at summer.mcpls.org
