STEAMING SUMMER FUN

Though summer reading ended June 29, we'll be celebrating all month long with a variety of STEM activities at all of our branches!

We'll also be hosting special space events July 17-20 to celebrate the 50th anniversary of the First Man on the Moon!

Read on or check out www.mcpls.org to get the low-down on our July events!

DISCOVER @ MCPLS

Turing Tumble Space Mission:

Fairview

Monday, July 2: 3 pm
Sign up here <http://bit.ly/2Xj29gZ>

Mannington

Monday, July 15: 5:30 pm
No sign up required

This event is designed for tweens and teens in grades 6-12. Experiment with coding using marble powered computers. Work at your own pace through multiple exercises and difficulty levels. Each puzzle brings Alia the space engineer closer to rescue from a forgotten planet!

Circuit Scribe:

Fairmont

Wednesday, July 3: 4 pm
Sign up here <http://bit.ly/2RAbRFi>

Fairview

Tuesday, July 16: 3 pm
Sign up here: <http://bit.ly/2ITydyZ>

Mannington

Monday, July 8: 5:30 pm
No sign up required

Appropriate for grades 4-12
Use conductive ink in order to create paper circuits that can illuminate LED lights. Learn how circuits work and what household objects are able to conduct electricity.

Robotics:

Fairmont:

Ozobots Open House
Monday, July 8: 6 pm

If you have ever wondered what Ozobots and STEM are all about, this is your opportunity to come and discover in an Open House setting. Staff will have Ozobot Robots available in the Children's Room so that parents and children can experience some of the fun of STEM. Ozobots are most appropriate for children ages 4-12. Adult supervision is required at this Open House event.

Fairview:

Ozobots Asteroid Course
Tuesday, July 9: 11 am - 12 pm
Sign up here: <http://bit.ly/2xjB7Gs>

Designed for children ages 3-6. Participants will get to program small Ozobot robots. They will use markers to get the Ozobots through a paper asteroid field obstacle course.

Mannington:

LEGO WeDo: Milo
Monday, July 1: 5:30 pm
Sign up here: <http://bit.ly/2X3bRid>

Join us to experiment with using Lego robotics. Suitable for grades 2 and up, or for families to do together. We will be using Lego WeDo's! This is a great introductory lesson for those who have not done Lego Robotics before, but may be a repeat class for those who have.

Sewing: Fairmont

Join us to make a bookmark that has a pocket for a pen or pencil. Perfect for journals or taking notes while reading or studying. You may bring 1 fat quarter and some fabric will be provided. Remember that this project is small so large prints will not be visible on the finished bookmark. All other supplies, including the sewing machines, will be provided.

Limited to 6 people per class, call 304-366-1210 to sign up, or follow one of these links:

July's Book: *The 7 1/2 Deaths of Evelyn Hardcastle*
by Stuart Turton

Movie Matinee: Apollo 11

Friday, July 19: 1 pm (All Ages)

Fifty years ago, the United States achieved its goal of putting a man on the moon. Join us as we watch this documentary from NASA highlighting the events of the historic journey of Apollo 11.

"Where Were You When....?"

Friday, July 19: 3 pm (All Ages)

What were you doing when man first walked on the moon? Perhaps you weren't even alive on July 20, 1969? People of all ages are encouraged to participate in this interactive presentation with Dr. Ray Richardson of the Marion County Genealogical Club and others. Come discover and share about this momentous time in history!

Moon Landing Party

Saturday, July 20: 12 pm (K-Adult)

Kids and adults are invited to join us at our "Moon Landing Party" as we celebrate the 50th anniversary of the first man on the moon.

As well as celebrating past success, local NASA Engineer Scott Zemerick will also share present successes and future endeavors with interactive presentations on: "NASA's Current Missions Exploring the Solar System's Planets and Moons" and "STF-1: West Virginia's First Spacecraft".

Of course, there will be an anniversary cake and crafts and activities, too!

*Please register by contacting the library or at www.mcpls.org/events

Turing Tumble

Tuesday, July 2: 3 pm - 4 pm

Turing Tumble Space Mission: This event is designed for tweens and teens in grades 6-12. Experiment with coding using marble powered computers. Work at your own pace through multiple exercises and difficulty levels.

Each puzzle brings Alia the space engineer closer to rescue from a forgotten planet!

Ozobot Asteroid Course

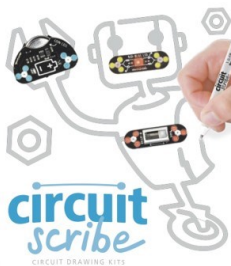

Tuesday, July 9: 11 am - 12 pm

Designed for children ages 3-6 years. Participants will get to program small Ozobot robots and run them through a paper obstacle course to get them safely through an asteroid field.

Circuit Scribe

Tuesday, July 16: 3 pm - 4 pm

Designed for children ages 8-12 years old. Participants will get to see how basic electric circuits work with a small battery, metallic gel pens, and a conductive board and activity sheets and advance through these activities to more complex circuitry.

Fly Me to the Moon

"A Universe of Stories" may have come to an end, but space themed programming continues into July.

To commemorate the 50th anniversary of

Apollo 11's moon landing on July 20, 1969, the Fairview Public Library will be presenting "Fly Me to the Moon" on Saturday, July 20 (9 am - 12 pm). This event, open to children ages 2 – up, requires no registration and lasts from 9 am to 12 pm.

Participants will get to craft their own moon landing complete with American flag and small astronaut as well as check out the "Lunar Landscape Sensory Tub."

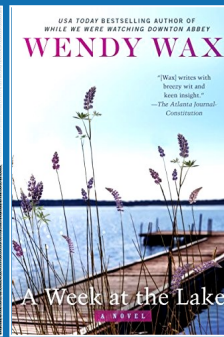

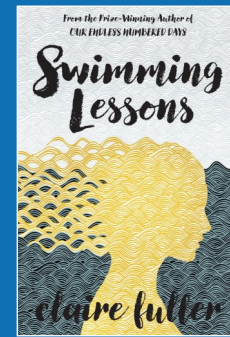

What Do You Know About That? Trivia Contest

Trivia returns on July 25 from 10 am – 4 pm with the "Space Race Edition" of "What Do You Know about That?" The contestant with the most correct answers about space exploration, our solar system, etc. wins a prize.

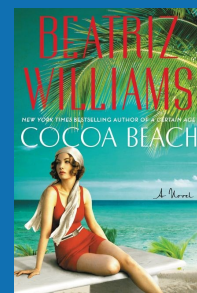

Don't Lay a Finger on My Butterfinger

July's Circulation Desk guessing game is "Don't Lay a Finger on My Butterfinger."

Be the closest without going over in estimating the number of bite size Butterfingers in the jar and win!

Summer Reads Make Me Feel Fine

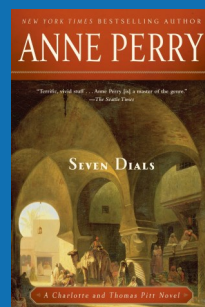

If you're off to the beach or other waterfront destination this summer, why not take along some light reading?

Our "Ju-lying in the Sun" display features seasonal offerings such as Beatriz Williams' *Cocoa Beach*, Claire Fuller's *Swimming Lessons*, Wendy Wax's *A Week at the Lake*, and Barbara Bretton's *Girls of Summer*. Cool off with a hot read!

Speaking of Books

Our monthly book club, "Speaking of Books," returns on July 23 at 4 pm to review *Seven Dials* by Anne Perry.

"Thomas Pitt of Her Majesty's Special Branch investigates the murder of a diplomat whose body turns up at a mansion inhabited by the notorious Egyptian woman Ayesha Zakhari and her rumored lover, Senior Cabinet Minister Saville Ryerson."
-Novelist

Sewing Machine Basics for Kids

This class teaches sewing machine basics and aims to help children develop individual projects; for children ages 11 and up. Please sign up at the front desk. (limited space and machines)
Wednesdays, beginning July 10 at 1:00pm.

STEM Classes:

LEGO WeDo: Milo Monday, July 1: 5:30 pm

Join us to experiment with using Lego robotics. Suitable for grades 2 and up, or for families to do together. We will be using Lego WeDo's! This is a great introductory lesson for those who have not done Lego Robotics before, but may be a repeat class for those who have.

1-on-1 Tech Help

Adults can get hands on help during our **1-on-1 Technology Time!** Meeting at the library every Thursday at 2:00 pm: this is a designated time for adults to get help with their mobile devices.

Friends of the Library

Friends of the Mannington Public Library: 2019 Membership Drive is underway.

With your support the **Friends** are able to contribute to the Summer Reading Program, maintain the Outdoor Classroom, fund operational expenses of the Friends Book Sale and helps maintain and improve our library's building structure. Thank you for your support.

Packing for vacation? Sometimes you can have an awesome adventure without ever leaving a beach chair. We have great used books for the whole family at the Friends Book Sale, open every week Friday 10-4 and Saturday 9-1.

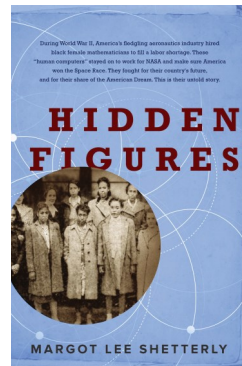

Crafty Creations with Carol

Crafty Creations for adults making Jug Head Flower Pots!

Bring a recycled jug and make faces with Carol on Monday, July 22 at 5:30pm.

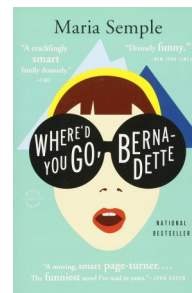

Cover 2 Cover

Pick up your copy of *Hidden Figures* by Margot Lee Shetterly and join the "Cover 2 Cover" book club on Thursday, July 18 at 1:30 pm.

Hidden Figures tells the story of a group of dedicated female mathematicians known as "human computers" who used slide rules, adding machines, and pencils to calculate the numbers that would launch rockets into space. These African American female problem solvers were some of the brightest minds of their generation. (Note: Features West Virginian Katherine Johnson)

Fiction Addiction

Fiction Addiction is on summer vacation! If you are interested joining this teen book club, pick up a copy of *Where'd you go, Bernadette* by Maria Semple and join us in September (date and time to be announced) at the Mannington Public

Library for the book discussion, craft, **FOOD and FUN!**

The plot revolves around an agoraphobic architect and mother named Bernadette Fox, who goes missing prior to a family trip to Antarctica. It is narrated by her 15-year-old daughter Bee Branch.

Hello All!

We had a fantastic summer reading program! I'm so proud of all the kids and the books they read. Such a delight to see so many smiling faces coming to all the programs and learning about space! Zooming spaceships, alien encounters, the solar system and more were all explored during this fantastic summer event.

Summer is in its prime, sun shining bright, picnics and more. July is a great time for vacation; keep the library in mind for all your essential poolside reads. The library also has great items to keep the kids occupied during your travels, such as Launchpad Tablets and Playaway Views. **Enjoy the sunshine!**

Marion Libearian, the town librarian

MCPLS Bookmobile

The Bookmobile will not run the first week of July (July 1-5) due to the 4th of July holiday.
