Patrons ages 14-up are eligible to participate, and the participant with the most correct answers wins a prize!

Speaking of Books

Our monthly book club returns on **October 22** at 4 pm to discuss *Ruthless River* by Holly FitzGerald

Holly FitzGerald and her husband, Fitz—married less than two years—set out on a yearlong honeymoon adventure of a lifetime, backpacking around the world. Five months into the trip their plane crash lands in Peru at a penal colony walled in by jungle, and their blissfully romantic journey turns into a terrifying nonstop labyrinth of escape and survival.

On a small, soon-ravaged raft that quickly becomes their entire universe through dangerous waters alive with deadly animals and fish, their only choice: to continue on, despite the rush of insects swarming them by day, the sounds of encroaching predators at night. Without food or means of communication, with no one to hear their cries for help or on a search-and-rescue expedition to find them, the author and her husband make their way, fighting to conquer starvation and navigate the brute force of the river, their only hope for survival, in spite of hunger and weakening resolve, to somehow, miraculously hang on and find their way east to a large riverside town, before it is too late.

TeenTober

October shines a spotlight on teens/young adults each year with "Teen Read Week." This year, however, the entire month is dedicated to this age group and is now called "TeenTober." We have created a multimedia display featuring popular YA books that have been turned into movies such as *The Book Thief* by Markus Zusak, *The Spectacular Now* by Tim Tharp, *Me and Earl and the Dying Girl* by Jesse Andrews, and *Every Day* by David Levithan to name a few.

Banking 101

Also geared for teens is our "Banking 101" workshop on **October 5 at 11 am**. Ms. Megan from the main branch will provide participants with basic banking info such as types of bank accounts, the difference between credit, debit, and ATM cards, how to set up an account, and more. You can go to mcpls.org/events-library for more information and to get registered.

"Half my life ago, I killed a girl." So begins Darin Strauss' *Half a Life*, the true story of how one outing in his father's Oldsmobile resulted in the death of a classmate and the beginning of a different, darker life for the author. We follow Strauss as he explores his startling past—collision, funeral, the queasy drama of a high-stakes court case—and what starts as a personal tale of a tragic event opens into the story of how to live with a very hard fact: we can try our human best in the crucial moment, and it might not be good enough.
