Toddler Time and Story Time Registration

Help your child get ready to read. Learning to read begins before children start school. From the time they are infants, children learn language and other important skills that will help them learn to read. Developing early literacy skills makes it easier for children to learn to read once they begin school.

Fall sessions set to begin in September "Toddler Time" a program for children up to 3 years of age that meets on Tuesdays at 10:30 am, and "Story Time" a program for children 2-5 years of age that meets on Wednesdays at 10:30 am.

You may register when you are visiting the library, by calling 304-986-2803, or online at mcpls.org/library-events. We thank you for letting us know if you are coming, so we can be prepared for you!

But the work there is exacting and dangerous with men's worth measured in ledger columns. Whispers of a union strike pass from bunk to bunk.

Against the rasp of the misery whip and the crash of felled hemlock and red spruce, Cur encounters a cast of characters who will challenge his loyalties: a minister grasping after his dwindling congregation, a Syrian peddler who longs to put down his pack and open a store, a slighted Slovenian wife turned activist, and a trio of reckless land barons. Cur must accept or betray the call to lead a rebellion and finally reconcile a forbidden love."
